GUIDELINES ON HOW TO USE REJUVENATING FACIAL SET

MORNING DIRECTIONS FOR USE:

KOJIC ACID SOAP

- 1.** Use in the morning and at night as your daily cleanser. Apply to damp skin and lather for "3" minutes before rinsing.

- 2.** After cleansing with Brilliant Skin Kojic Acid Soap, place a small amount of Brilliant Skin Rejuvenating Facial Toner on a cotton pad and spread evenly on face and neck in an upward motion. Use twice daily for one month then rest for another month before using again.

- 3.** Apply Brilliant Skin Sunscreen Gel-Cream SPF 30 liberally and evenly all over the face and neck, 30 minutes before sun exposure, especially when you apply Brilliant Skin Rejuvenating Facial Toner and Brilliant Skin Rejuvenating Facial Cream at night for added protection during the entire exfoliation process. Reapply frequently every two (2) hours for best skin protection.

DOS:

- Test the skin for sensitivity to the product prior to use by placing a small amount of the product on your forearm. If no irritation occurs after the first "24" hours, proceed with product use. Otherwise, refrain from using the product. When experiencing severe irritation, consult a dermatologist.
- When you experience peeling, redness and irritation stop in using Brilliant Skin Rejuvenating Facial Toner and Brilliant Skin Rejuvenating Facial Cream. Use Brilliant Skin Sunscreen Gel-Cream SPF 30 continuously for your skin protection during the entire exfoliation process. Resume in using Brilliant Skin Rejuvenating Facial Toner and Brilliant Skin Rejuvenating Facial Cream once the peeling is done.
- Limit the usage of Brilliant Skin Rejuvenating Facial Toner and Brilliant Skin Rejuvenating Facial Cream around the eyes and lips.
- Remember NOT to do anything with your skin when experiencing exfoliation. NEVER scratch the affected areas to avoid skin irritation.

DON'TS:

- Do not use Brilliant Skin Rejuvenating Facial Toner and Brilliant Skin Rejuvenating Facial Cream if you are pregnant, lactating mother or teenager.
- Do not use any other facial products while using Rejuvenating Facial Set.
- For sensitive skin, do not leave Brilliant Skin Kojic Acid Soap on the face for too long.
- Remember NOT to do anything with your skin when experiencing exfoliation. NEVER scratch the affected areas to avoid skin irritation.

TIPS:

- If the skin is not sensitive, you can put thick layer of Brilliant Skin Rejuvenating Facial Cream for faster peeling effect.
- Use "Brilliant Skin Protection Cream" to lessen itchiness, burning sensation and redness of the skin.
- If you don't want an entire face exfoliation anymore, but you have a pimple to treat, you may apply Brilliant Skin Rejuvenating Facial Cream only on the affected areas. Remember to always cleanse and tone the area before putting the product.

EVENING DIRECTIONS FOR USE:

- 1.** Use in the morning and at night as your daily cleanser. Apply to damp skin and lather for "3" minutes before rinsing.

- 2.** After cleansing with Brilliant Skin Kojic Acid Soap, place a small amount of Brilliant Skin Rejuvenating Facial Toner on a cotton pad and spread evenly on face and neck in an upward motion. Use twice daily for one month then rest for another month before using again.

- 3.** After using Brilliant Skin Rejuvenating Facial Toner, gently apply a thin layer of Brilliant Skin Rejuvenating Facial Cream evenly on your face and neck in an upward motion. Use once a day preferably before bedtime for one month then rest for another month before using again.

GUIDELINES ON HOW TO USE UNDERARM REVITALIZING KIT

MORNING

DIRECTION FOR USE:

- Cleanse your underarms with any mild soap or anti-bacterial soap.
- After cleansing your underarms, place a small amount of Brilliant K Underarm Revitalizing Toner on a cotton pad and apply evenly on your dry underarms.

UNDERARM REVITALIZING TONER

- After cleansing your underarms, place a small amount of Brilliant K Underarm Revitalizing Toner on a cotton pad and apply evenly on your dry underarms.

DEO + PROTECT SERUM

- After applying Brilliant K Underarm Revitalizing Toner, gently and evenly rub a pea sized amount of Brilliant K Deo + Protect Serum on your dry underarms.

DOS:

- Test the skin for sensitivity to the product prior to use by placing a small amount of the product on your forearm. If no irritation occurs after the first 24 hours, proceed with product use. Otherwise, refrain from using the product. When experiencing severe irritation, consult a dermatologist.
- When you experience peeling, redness, and irritation, stop using Brilliant K Underarm Revitalizing Toner and Brilliant K Underarm Revitalizing Cream. Use only Brilliant K Deo + Protect Serum continuously for your underarm's protection during the entire exfoliation process. Once the peeling is done, resume in using Brilliant K Underarm Revitalizing Toner and Brilliant K Underarm Revitalizing Cream.
- After a month of use, rest in using Brilliant K Underarm Revitalizing Toner and Brilliant K Underarm Revitalizing Cream. Use Brilliant K Deo + Protect Serum continuously for your daily underarm's protection. After 1 month of resting, you can resume in using Brilliant K Underarm Revitalizing Toner and Brilliant K Underarm Revitalizing Cream.

DON'TS:

- Do not use Brilliant K Underarm Revitalizing Kit if you just shaved or plucked your underarm's hair.
- Do not use Brilliant K Underarm Revitalizing Toner and Brilliant K Underarm Revitalizing Cream if you are pregnant, lactating mother or a teenager.
- Do not use any other underarm products while using Brilliant K Underarm Revitalizing Kit.
- Remember NOT to do anything with your underarms when experiencing exfoliation. Just continue using Brilliant K Deo + Protect Serum to protect your underarms. NEVER scratch the affected areas to avoid skin irritation.
- Avoid activities that will make you sweat to prevent underarm's irritation.

WARNING: Read and follow CAREFULLY the directions on how to use the products to avoid SKIN IRRITATION or any UNDESIRABLE effect.

EVENING

DIRECTION FOR USE:

- Cleanse your underarms with any mild soap or alcohol-free wet wipes.
- After cleansing your underarms, place a small amount of Brilliant K Underarm Revitalizing Toner on a cotton pad and apply evenly on your dry underarms.

UNDERARM REVITALIZING TONER

- After cleansing your underarms, place a small amount of Brilliant K Underarm Revitalizing Toner on a cotton pad and apply evenly on your dry underarms.

UNDERARM REVITALIZING CREAM

- After applying Brilliant K Underarm Revitalizing Toner, gently and evenly rub a thin layer of Brilliant K Underarm Revitalizing Cream evenly. Use at night before bedtime.

TIPS:

- If the skin is not sensitive, you can put thick layer of Brilliant K Underarm Revitalizing Cream for faster peeling effect.
- Use "Brilliant Skin Protection Cream" to lessen itchiness, burning sensation and redness of the skin.
- Shaving/plucking of underarm's hair is not recommended. It is better to undergo waxing or laser procedure for your underarms to prevent skin damage. Do the hair removal procedure when you are on the resting period of using Brilliant K Underarm Revitalizing Kit.

FREQUENTLY ASKED QUESTIONS:

- Is it normal to have peeling, redness and burning sensation when using Brilliant K Underarm Revitalizing Kit?
 - Yes, peeling and redness normally occurs during the entire exfoliation process. It is normal and nothing to worry about. Just continue using Brilliant K Underarm Revitalizing Kit to see brilliant results.
- Is it necessary to use the complete Brilliant K Underarm Revitalizing Kit?
 - Each product has their own intended function to achieve that smooth, lighter and wrinkle-free underarms, thus we recommend using the complete Brilliant K Underarm Revitalizing Kit for best result.
- Is it allowed to have other underarm treatments while using Brilliant K Underarm Revitalizing Kit?
 - Other underarm treatments are not allowed during the exfoliating process to avoid skin irritation or any undesirable effect.
- Is it normal and still safe to use Discolored Creams?
 - Yes, the cream discoloration is normal and still safe to use. It may be due to sun exposure or wrong storage condition.
- I am using other Exfoliating/Rejuvenating products, I want to switch in using Brilliant K Underarm Revitalizing Kit, what should I do?
 - If you want to switch from other products or brands to Brilliant K Underarm Revitalizing Kit, kindly rest for a week or two to prevent irritation or any undesirable effect.
- Based on the instructions, I need to rest in using Brilliant K Underarm Revitalizing Toner and Brilliant K Underarm Revitalizing Cream for a month before using again. What products should I use during the resting period?
 - During the resting period, we recommend to use the Brilliant K Deo + Protect Serum for your underarms daily protection.

Dr. Farrah Agustin - Bunch, M.D.

A graduate of Bachelor of Science in Medical Technology and Medicine at Saint Louis University, Baguio and a licensed medical doctor.

Dra Farrah-Arsenia Agustin-Bunch is a Phyto scientist by trade and worked with her father, the late Mr. Antonio R. Agustin who is an herbal scientist. Together, they established the Dra Farrah-Arsenia Agustin Nursing Homes for Cancer Patients and now known as the "Dr. Farrah Agustin-Bunch Natural Medical Center".

Dra. Farrah is the Medical Directress of the first Natural Medical Center in the Philippines dedicated solely to Natural Medicine. As the head of this pioneering Center, Dra Farrah practices and promotes the principles of Natural Medicine, providing a "more effective, efficient, humane, and cheaper" medical and healthcare to everyone regardless of economic and social station, educational background, and financial capability.

Aside from tirelessly taking care of and curing her cancer patients, Dra. Farrah is also a recognized environmentalist and philanthropist. Her efforts to help revitalize our environment include replanting a 2,000 hectare forest in Masinloc, Zambales with her beloved plants and herbs. She also works with various NGOs in the country to promote the healing wonders of nature.

Currently, Dra Farrah's mission is to promote the Filipinos' indigenous way of "natural healing" using local plants, herbs, and spices, not only among our countrymen but also to the entire world. As a "world-class healer", this is Dra Farrah's legacy to the world.
